About This Deck

The X-Men Tarot reinterprets the 22 Major Arcana through the heroes and villains of the mutant universe created by Stan Lee and Jack Kirby. Each character was chosen for the resonance between their powers, their journey, and the archetypal energy of the card they represent. Illustrations by Luciano Vecchio. Tarot is not fortune-telling; it is a tool for reflection that reveals present energies and ongoing tendencies, helping you make more conscious decisions and better understand the moment you are living.

The 22 Major Arcana

0 The Fool

BANSHEE

** Beginning · Freedom · Adventure · Spontaneity **

Banshee represents the free spirit who follows their own voice without fear of judgment. This card invites you to leap into the unknown with confidence, to embrace a new journey unburdened by the past. It is the pure energy of unrealized potential.

Upright

New beginning, courage to take risks, openness to the unpredictable, limitless creativity.

Reversed

Recklessness, avoidance of responsibility, excessive naivety.

I The Magician

WICCAN

** Will · Manifestation · Skill · Power **

Wiccan commands cosmic energies with intention and focus. This card speaks of your ability to transform thought into reality. You have all the resources you need; all that is missing is the determination to use them. The Magician does not wait for the universe to act — he is the catalyst.

Upright

Force of will, applied talent, capacity to create and transform.

Reversed

Manipulation, misdirected power, creative blockage.

II The High Priestess

PSYLOCKE

** Intuition · Mystery · Inner Wisdom · Silence **

Psylocke dwells in the space between the visible and invisible, reading hidden minds and emotions. This card asks you to trust your inner voice and look beyond appearances. There are answers that only silence can reveal. Observe, listen, and wait.

Upright

Sharp intuition, esoteric knowledge, patience, emotional depth.

Reversed

Harmful secrets, emotional blockage, excessive distrust.

III The Empress

STORM

** Abundance · Nature · Fertility · Sovereignty **

Storm commands the elements with grace and absolute authority. This card represents the creative force of nature, the fertility of projects and relationships, and the power that comes from being in harmony with the world. Abundance is available; open yourself to receive it.

Upright

Flourishing creativity, prosperity, generosity, connection with nature.

Reversed

Dependence, creative blockage, excessive control.

IV The Emperor

DOUGLOCK

** Authority · Structure · Stability · Leadership **

Douglock, a fusion of technology and organic life, embodies the order imposed by logic and structure. This card speaks of establishing solid foundations and leading with responsibility and precision. It is the archetype of law, the structure that makes growth possible.

Upright

Firm leadership, discipline, protection, building something lasting.

Reversed

Authoritarianism, rigidity, excessive control, abuse of power.

V The Hierophant

ICEMAN

** Tradition · Teaching · Faith · Convention **

Iceman, one of the original X-Men, represents the transmission of knowledge and respect for tradition. This card speaks of formal learning, mentors, and established belief systems. There is accumulated wisdom at your disposal; do not ignore it.

Upright

Spiritual guidance, belonging to a community, education, solid values.

Reversed

Dogmatism, blind conformity, rejection of tradition without reflection.

VI The Lovers

SPEED & PRODIGY

** Union · Choice · Values · Alignment **

Speed and Prodigy represent the deep connection between two beings who recognize each other. This card goes beyond romance; it speaks of choices that define who you are, and alignments between the heart and values. Every great choice is, at its core, a question of love.

Upright

Harmonious relationship, value-aligned choice, authentic connection.

Reversed

Conflict of values, wrong choice, imbalance in a relationship.

VII The Chariot

CYCLOPS

** Determination · Control · Victory · Direction **

Cyclops advances with unwavering precision and focus, mastering opposing forces through sheer determination. This card speaks of overcoming obstacles through willpower and discipline. Victory is not luck; it is the result of clear purpose and refusal to yield.

Upright

Success through effort, self-discipline, triumph over adversity, focus.

Reversed

Aggression, lack of direction, excessive control over others.

VIII Strength

ROGUE

** Courage · Compassion · Patience · Resilience **

Rogue carries the weight of a power that can hurt those she loves, and still chooses to love. This is the strength that does not crush but embraces, that does not dominate but perseveres. True strength is not in the muscles; it is in the capacity to continue with compassion.

Upright

Inner strength, patience, gentleness that overcomes brutality, perseverance.

Reversed

Weakness disguised as strength, insecurity, lack of self-confidence.

IX The Hermit

HAVOK

** Introspection · Solitude · Wisdom · Inner Guide **

Havok, often on the margins of the X-Men, finds his path through isolation and reflection. This card invites you to step away from the world's noise and seek your inner truth. The wisdom you seek is not outside; it is in the silence you are afraid to inhabit.

Upright

Necessary introspection, wisdom, spiritual guidance, clarity through solitude.

Reversed

Excessive isolation, unchosen loneliness, refusal of help.

X Wheel of Fortune

SUNSPOT

** Cycles · Destiny · Change · Karma **

Sunspot, powered by ever-moving solar energy, represents the great cycles of existence. This card announces a phase shift, a turn of fate. What was down rises; what was up descends. Nothing is permanent; everything is a cycle.

Upright

Favorable change, good fortune, alignment with the flow of the universe.

Reversed

Resistance to change, bad luck, feeling at the mercy of fate.

XI Justice

KITTY PRYDE

** Truth · Balance · Law · Responsibility **

Kitty Pryde always acts with integrity, refusing to compromise her ethics. This card speaks of cause and effect, of assuming the consequences of choices, of seeking truth with courage. Justice is not revenge; it is restored balance.

Upright

Fair outcome, honesty, balance, well-founded decision.

Reversed

Injustice, dishonesty, avoidance of responsibility.

XII The Hanged Man

JEAN GREY

** Sacrifice · Pause · Different Perspective · Surrender **

Jean Grey sacrificed herself countless times for humanity and her companions. This card calls for a voluntary surrender, a pause in control. Sometimes the only way to move forward is to stop, look from another angle, and accept what you cannot change.

Upright

New perspective, transformative sacrifice, necessary pause, acceptance.

Reversed

Resistance to the inevitable, sacrifice in vain, unnecessary martyrdom.

XIII Death

WHITE PHOENIX

** Transformation · End of Cycle · Renewal · Passage **

The Phoenix dies and is reborn; it is her very nature. This card rarely means literal death; it announces the end of a phase that no longer serves you. Something must end for something new to be born. Transformation requires the courage to let go.

Upright

Deep transformation, necessary ending, renewal, passage to something better.

Reversed

Resistance to change, stagnation, inability to let go of the past.

XIV Temperance

DAZZLER

** Balance · Moderation · Patience · Flow **

Dazzler transforms sound into light with perfect precision and balance, merging opposing energies into a harmonious result. This card speaks of moderation, of finding the middle ground, of flowing with life instead of forcing it. There is an alchemy in balance that transforms the ordinary into the extraordinary.

Upright

Harmony, patience, moderation, successful combination of opposites.

Reversed

Imbalance, excess, impatience, inner conflict.

XV The Devil

MR. SINISTER

** Illusion · Attachment · Shadow · Materialism **

Mr. Sinister manipulates, controls, and binds those who fall under his influence. This card illuminates the chains that imprison you, often of your own making. What binds you? Fear, addiction, toxic relationship, limiting belief? The Devil only has power while you cannot see him.

Upright

Recognition of one's own shadows, imminent liberation, conscious pleasure.

Reversed

Liberation from destructive patterns, recovery of autonomy.

XVI The Tower

HAVOC

** Rupture · Revelation · Chaos · Forced Liberation **

Havoc releases energy explosively and unpredictably, toppling what was built. This card announces a sudden disruption, a truth that arrives like lightning. What falls needed to fall. In chaos lies the seed of a more truthful structure.

Upright

Necessary liberation, sudden revelation, rupture that opens space for the new.

Reversed

Avoiding the inevitable, postponed catastrophe, resistance to necessary change.

XVII The Star

ANGEL

** Hope · Faith · Renewal · Inspiration **

Angel hovers above the world on immaculate wings, symbolizing the hope that persists even in the deepest darkness. This card is a breath of optimism after the storm. Healing is on its way. You have reason to believe in a better future.

Upright

Renewed hope, healing, inspiration, faith in the future, serenity.

Reversed

Disillusionment, pessimism, lack of faith, deferred dreams.

XVIII The Moon

RACHEL SUMMERS / PHOENIX II

** Illusion · Unconscious · Fear · Deep Intuition **

Rachel Summers, the Phoenix II, burns in a darkness that illuminates but also distorts. This card plunges you into the realm of the unconscious, where fears take unreal forms and intuition speaks in whispers. Not everything you see is as it seems. Pay attention to dreams and sensations you cannot name.

Upright

Powerful intuition, access to the unconscious, dreamlike creativity.

Reversed

Confusion, dangerous illusions, paralyzing fears, deception.

XIX The Sun

SUNFIRE

** Joy · Clarity · Success · Vitality **

Sunfire radiates pure solar energy, illuminating everything it touches. This is the card of simple joy and well-deserved success. After the Moon's darkness, the Sun brings clarity, enthusiasm, and the certainty that you are on the right path. Let yourself shine.

Upright

Success, joy, optimism, mental clarity, recognition, vitality.

Reversed

Excessive optimism, arrogance, difficulty seeing real problems.

XX Judgement

CYCLOPS & JEAN GREY

** Calling · Absolution · Rebirth · Purpose **

Cyclops and Jean Grey together represent the calling to something greater than the individual self. This card speaks of a moment of deep evaluation and response to a higher purpose. You are being called. You can ignore the calling, but it will not disappear.

Upright

Clarity about life's purpose, forgiveness, rebirth, answering the call.

Reversed

Refusal of the calling, excessive guilt, inability to forgive.

XXI The World

ARCHANGEL

** Completion · Integration · Fulfilment · Wholeness **

Archangel hovers over the world with open wings, integrating light and shadow, power and grace. This is the card of full realisation, the completed cycle, the harmony between all parts of the self. You have arrived somewhere. Celebrate before beginning the next cycle.

Upright

Victorious conclusion, personal integration, fulfilment, total harmony.

Reversed

Incomplete cycle, sense of failure, resistance to conclusion.

Reading Methods

Before each reading, shuffle the cards with intention and focus on your question. There is no correct way to shuffle; what matters is that the gesture is conscious. Draw the cards with your non-dominant hand, which is more connected to the unconscious.

One Card Reading

Daily Guidance · Direct Answer

The simplest and most powerful reading. Formulate a clear question, shuffle with intention, and draw one card. No complex interpretations; just a direct message from your unconscious to the present moment.

1	**The Message** The central theme of the moment, the dominant energy, or the answer to your question.

Three Card Reading

Past · Present · Future

The classic reading. Three cards that tell a story: where you come from, where you are, and where the current energy is leading you. Can also be read as Situation, Action, and Outcome.

1	**Past / Situation** What influenced the current situation, the roots of the present moment.
2	**Present / Action** The dominant energy now, what calls for attention, what you can do.
3	**Future / Outcome** Where the situation is heading if you maintain your current course.

Celtic Cross

Deep Analysis · 6 Cards

For complex situations requiring a broader view. This reading explores multiple layers, from external influences to the probable outcome.

1	**Heart of the Matter** The essence of the situation, the central theme.
2	**The Crossing** What challenges or supports the situation.
3	**Foundation** Unconscious roots, what lies beneath the surface.
4	**Recent Past** What is leaving the scene, what has already resolved.
5	**The Possible** What may happen, the best possible scenario.
6	**The Outcome** The probable conclusion.

Horseshoe Spread

Complete Vision · 7 Cards

One of the most complete readings for understanding a situation in all its dimensions, from the distant past to the outcome, including internal and external factors.

1	**Distant Past** The deepest origins of the situation.
2	**Recent Past** Influence still present from the near past.
3	**Present** The dominant energy at this moment.
4	**Near Future** What is about to happen in the coming days or weeks.
5	**External Influences** People or circumstances affecting the situation.
6	**Hopes & Fears** What you desire and simultaneously fear.
7	**Final Outcome** The probable resolution if current energies remain.

Year Ahead Reading

Annual Forecast · 13 Cards

One card for each month of the year and one central card representing the overall theme of the next twelve months. Ideal at the start of the year or on a personally significant date.

C	**Year Theme** The dominant energy and the great theme of the next twelve months.
1–12	**January to December** One card per month, revealing the main energy and challenges of each period.
